DEDICATION

As the horizons expand, the 1973-74 Argus staff has taken time to dedicate this yearbook to Mr. Rene Marfull.

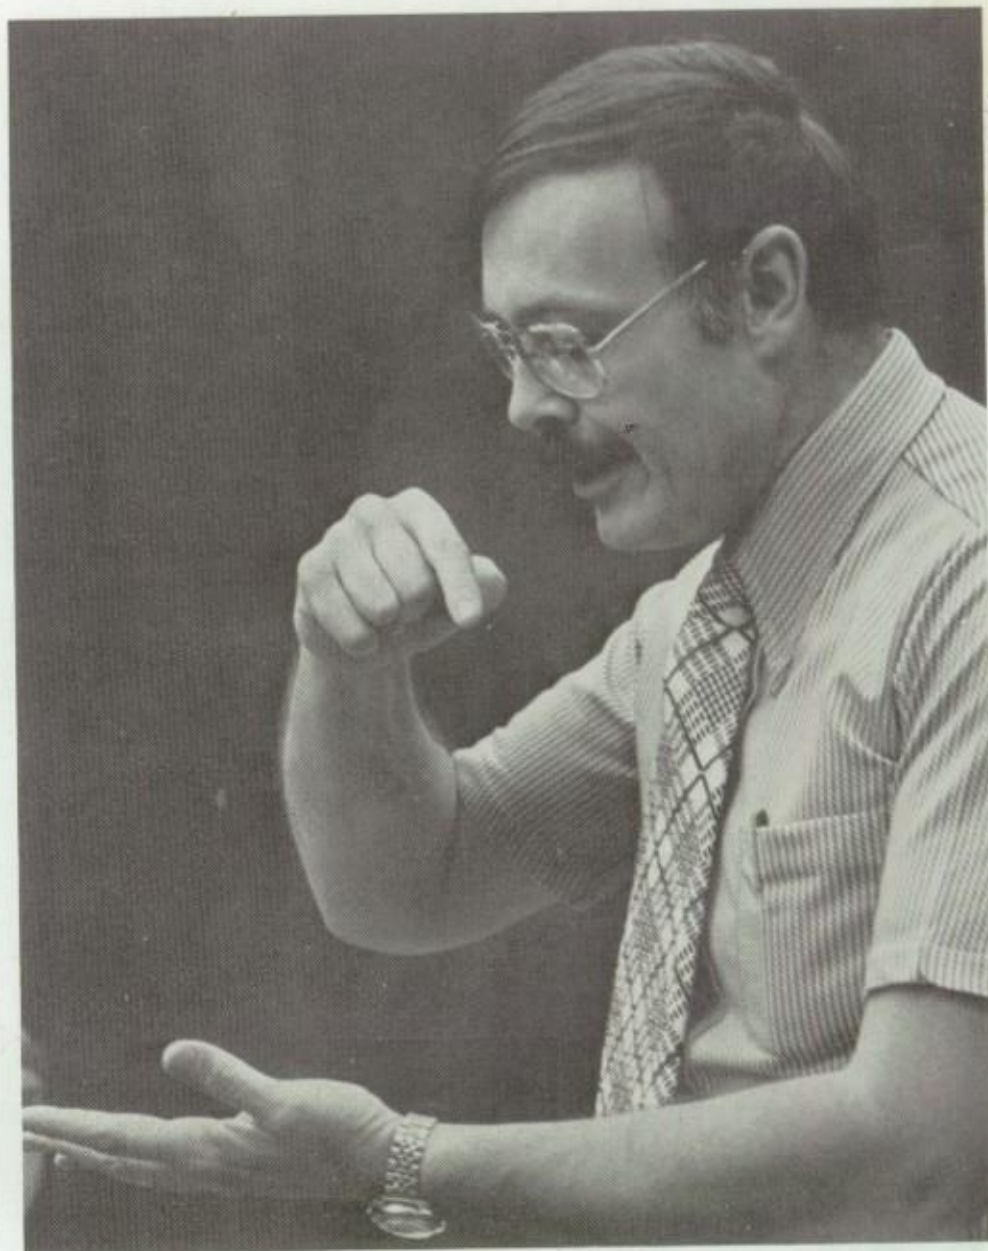

Mr. Marfull has been teaching here at James Lick for eleven years. During this time, Mr. Marfull has been the only soccer coach in the history of Lick. He is responsible for the beginning of soccer at Lick, and in those ten years he has led them to three undefeated seasons.

He began his teaching at Lick in the Social Sciences department, and it wasn't until his second year at Lick that he started teaching Civics.

For the past eight years, he has been the advisor of the James Lick Chess Club. In their league, the Chess players have fared well in competition.

A graduate from San Jose State, Mr. Marfull spends most of his spare time with the National Guard. He is a lieutenant colonel in the artillery reserve of the militia.

For his unyielding support to students and unlimited willingness to help, we, the Argus staff dedicate the 1974 yearbook to Mr. Rene Marfull.

FOREWORD

Every year, the yearbook editor takes up this space to tell how much better this yearbook is over the previous year's. And each year the book is better because it includes that year's events.

It is hard to relate in a book, the activities that encompass the 1973-74 school year at James Lick High School.

People, and only people make up the school, and this is what we have tried to capture in this book, the people.

Thanks to the flying skills of Mr. Wilton Erickson, the work of professional photographer, Mr. Ernie Umemoto, and the unyielding support of our advisor, Mr. Roy Gilligan, we feel that we have accomplished our goal.

NOMINATIONS CONVENTION 1974

THE OUTCOME

Convention time rolled around early this year, and if asked about the outcome before the convention you would be surprised at what finally developed.

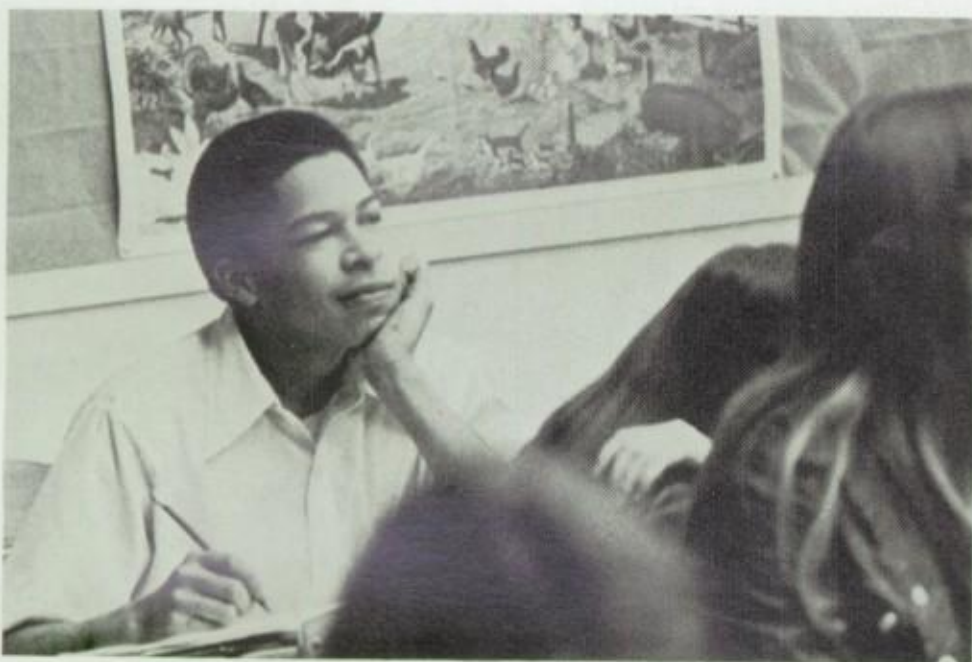

With the convention only thirteen minutes long, Chris Winkle and his running mate Bruce Goedde dropped out of the race.

With this new turn of events, the path shown clear for Lea Bruno and Brian Hoshino as next year's Executives. Despite the fact that the outcome was already known; the convention went on and on and on and on.

What was the final result, well take a look at the picture to the right of this article; That my friends is the final outcome.

this summer
and maybe

just maybe you and Lawrence
can get back together. If Lawrence
would get his SHIT together

he might turn out a real nice guy, but I doubt it!
If you guys move I hope you come visit ~~us~~ us and party.
I wish the neighbor hood would go back the way it was.
Everyone is starting to talk to each other so maybe it will.

Well what are you going to do
now that your out of school?

you lucky
shit

now you can
party and wont
have to worry
about getting up

the next day and going to school. Maybe
you can come over on week-ends and
go swimming (and party) right now
thats all I can think of is (partying)
Lawrence, Rick and Sergio are starting
to hang around with each other so maybe you will see
each other and be friends. (you and Lawrence. that is). Sergio
might put in a good word for you!! If not theres

other fish in the sea. And there're probably a lot better ones than Lawrence. I know you liked him alot or you still do and I'm sorry you two didn't work out!

But there are going to be better times in this world. I keep telling myself

here's just one thing when are they going to come? I hope we can be good friends even though you out of school and moving but you know how to keep in touch (258-8376.) ~~there~~ I've had fun all the years that I've known you and I hope to know you longer.

P.S.
Sorry so messy
Good luck with who
ever your with.
Don't forget to
come party with
us.

Well I better leave you room for other people. so I'll say Good-luck and have fun.

FUTURE BUSINESS LEADERS OF AMERICA

The FBLA club is a large and active one open to anyone taking a business class.

The members of FBLA are people who are interested in business as a career or who merely want to know about the ways that different businesses are run.

The club takes frequent field trips and the members are often found selling different kinds of desserts and cakes around the campus. This club is also responsible for the programs which are sold at the games.

This Club is not an elite organization. Anyone who can write and/or read and enjoys written expression, whether his own or someone else's, is more than welcome to join.

The club only wants to give people a chance to enjoy creative pieces written by their peers and to give students an opportunity to get new ideas for their own writing.

TJANSTS

The word "tjansts" is derived from a Swedish word meaning "girls working together."

This club is a girls' service organization involved in helping out many different groups and causes, such as the March of Dimes, the Jack Emery Drive, and the Bundle Drive. The people in the club make party decorations, posters, and help set up various activities. They also help many different people too, like the families of men in prison.

The club is comprised of concerned and active people who want to try and help wherever and whenever they can.

ATHLETICS

Opening the season with a loss isn't the best way to start, but that's how it began for the 1973 Varsity Football team.

Coach Al Cementina's squad dropped their first game to Vintage of Napa 18-6 on the opponents field. Perry Lewis broke the first play of the game as he streaked 65 yards for the lone Comet score.

Mt. Pleasant was Lick's first MHAL opponent and the Comets bounced back for a convincing 27-12 win. Perry had his first one hundred yard game and scored two touchdowns. Junior Manuel Palacios played a great game on defense as he dropped the Card's QB twice for huge losses.

Kal Dorr's game ending open field tackle against Milpitas kept the Patriots from a score within the Comet five yard line and lifted the Varsity to a 34-31 victory. Perry gained 186 yards for two TDs in his best effort of the season.

Dave Calderon hit 7 of 13 passes for 190 yards and two scores and Lick's defense registered its first shutout as Ayer fell to Lick 22-0.

Calderon had his finest game of the year against Oak Grove with 235 yards and three TDs on 18 of 28 passes. The Eagles, defending league champs and favored to win by everyone but Lick, proved no match as the big Green rolled to a rousing 38-27 decision before a huge crowd at the Eagle's field.

From there on the MHAL flag was only a matter of time as the Comets disposed of their last league opponents in quick succession.

Pioneer was the Comets first rival in the CCS playoffs, but they wilted quickly as Joe Brown ran wild with 2 touchdowns. One TD was on offense as Joe scored from 17 yards out. The other came on defense as he returned an interception 52 yards. Joe also recovered a fumble. Final score was 36-0 as Lick registered its fourth shutout.

The season ended as undefeated eventual CCS champions Saratoga stunned Lick 38-12.

Tony Saclolo finished the season by being named the MHAL's most valuable lineman, while Dave Calderon was named MVP for the loop.

Saclolo led the defense that finished number one in the league. Other stars were Joe Brown, John King, Jaime Galindo, Kal Dorr, Rich Ellis, Frank Sumner, Rich Leglu, Manuel Palacios, Pat Garcia, and Ron Barale.

Calderon, Lewis and Brown formed one of the finest offensive backfields in the area. Frank Sumner was all CCS at flanker while the other standout receivers were Kal Dorr, Bob O'Dell, Randy McDonald and Daryl Ishizaki. Saclolo anchored a super offensive line that included junior all leaguers Mark Mastache, Bill Webster, Pat Moran, Bob O'Dell and super tackle Brian Brickman.

FROSH HIGHLIGHTS

With a 4-5 record the freshmen football team finished their season in fifth place in the MHAL.

Joe Cirincione was super on both offense and defense. Bright futures are ahead for this lad as well as Ray Rossetto, Will Maxey and numerous other frosh standouts.

Coaches Dick Barrett and Jerry Alexander again have done great jobs putting together teams from inexperienced but talented material.

It is evident by having seen these youngsters in action that Lick will be the team to beat for years to come.

Next year Lick will definitely be a league contender with five of seven runners returning and a championship J.V. squad sporting several underclassmen.

It was a large squad with many sophomores who will be fighting for spots on the varsity, next year. With the likes of these runners returning, coaches Saldivar and Antes can anticipate many fine seasons in years to come.

Highlights of the season were victories over once powerful Mount Pleasant and wins over Overfelt and Silver Creek to decide the championship.

FROSH HIGHLIGHTS

Despite fine individual performances by Mark Hightower, Luis Garza, and Bob Zaragoza, the frosh squad could only muster a sixth in league with a 3-6 record.

However, a lot of desire was shown and improvement will be inevitable next year. James Lick's cross country program is definitely on the upswing as shown by the varsity and j.v. performances this year.

Coaches Carlos Saldivar and Keith Antes have done great jobs recruiting and training runners these last two years. With a lot of conditioning the freshmen from this 1973 cross country squad will excel.

VARSITY BASKETBALL: TOTAL TEAM EFFORT

Hustle, hard running and pinpoint passing with the adeptness that came from long hours of hard practice, combined to make the 1973-74 varsity basketball team one of the most successful in Lick's history. At the close of the season the Comets posted a 11-3 league record combined with preseason to give them a 15-8 record.

In the highlight of the preseason the Comets grabbed a runnerup in the annual James Lick Invitational Tournament. Dean Williams was incredible throughout the tourney and was honored with the Most Valuable Player award. Frank Guerra also was named to the All Tourney squad.

After winning their first two league contests the cagers met powerful Oak Grove the eventual league champion. The Eagles 6-10 Korky Nelson got 24 points but Daryl Ishizaki held their second highest scorer to only 4 points, leading the Comets to a 46-45 upset victory.

Lick went on to register eight wins in a row before dropping games to Mt. Pleasant, Piedmont and Oak Grove at the close of the regular season.

In the opening round of the MHAL playoffs the Comets suffered a heartbreaking loss to the Oak Grove Eagles. Dennis Heads did an outstanding job as he held Nelson, one of the highest scorers in the central coast to 6 points.

Over the season the Lick used several types of games; everything from a high powered fast break to slow down stall.

Throughout the season the biggest weapon in the teams attack was Dean Williams. Dean was always in the right place at the right time. He finished the year with an incredible total of 82 steals, far above anyone in the league. Consistent game in game out Dean led the team in scoring (16ppg), as well as sharing most of the ball handling duties.

Junior center Dennis Heads showed great improvement in his second year as a varsity starter. Intimidating on defense and guarding the opponents big man were his main job, but he also carried a heavy load of the rebounding and scoring.

Frank Guerra was steady all season long, scoring and rebounding over men often much taller. Tough defense was another of his good points as often he was called upon to guard the other teams best forward. Franks finest game came in a loss to Mt. Pleasant as he hit kept Lick in the game with long shots mostly outside 15 feet and finished with 20 points on the night.

Senior Daryl Ishizaki was the ballhandler and signal caller. Daryl led the team in assists and many times held other teams top guard to low point totals.

Super soph Terrill Jordan was the biggest surprise on the squad. At 6-1 Terrill was one of smaller forwards in the league. Yet he led the team in rebounding and was second in scoring. Terrill kept many a game with corner jumpers and leaping rebounds. There is no doubt he will be on of the finest players in the league.

Jon Kawaguchi and Tom Guajardo combined with Frank Galenzuela to spell the starters whenever they needed rest. Joe Damiano sparkled late in the year as he came in to can jumpers from outside to seal victorys. Gary Brady and Joe Brown added some more strength to the Comet bench.

Coach Glen Miller really did a fine job with help of assistant Dan Walker. At years end Miller transferred to a new job as Head Coach of new Santa Teresa High. Walker was named as his successor.

With the return of two key players and recruits from JV and the strong Freshman team James Lick will be sure to field a potent squad next year.

JUNIOR VARSITY BASKETBALL

James Lick's JV basketball team compiled a league record of 5 wins and 9 losses and a seasonal record of 10 wins and 14 losses.

Inconsistency was the key factor that stopped the JV's from having a better season, but they always played tough against league leaders and proved it by losing a close two point overtime game to eventual league champions Oak Grove.

Two of the non-league wins came in the Del Mar tourney in which the JV's won over Camden in the first round and then defeated Andrew Hill for third place. In that tourney, Steve Borrello was named to the All-Star team.

The season's MVP Tim Kawaguchi led the team in scoring with a 8.7 point average along with Most Outstanding Player Steve Borrello's 7.2 average. In rebounding, Tim Kawaguchi and Ken McEwan led with 5.4 and 5.1 averages respectively.

FRESHMAN BASKETBALL

Coach George Penn's Freshman cagers have brought James Lick the first basketball championship ever with a 7-2 league record.

Throughout the season the Comets were led by the scoring of most outstanding Greg Duarte and MVP Rick Santo. Duarte averaged fifteen points per game while Santo had 10 a game.

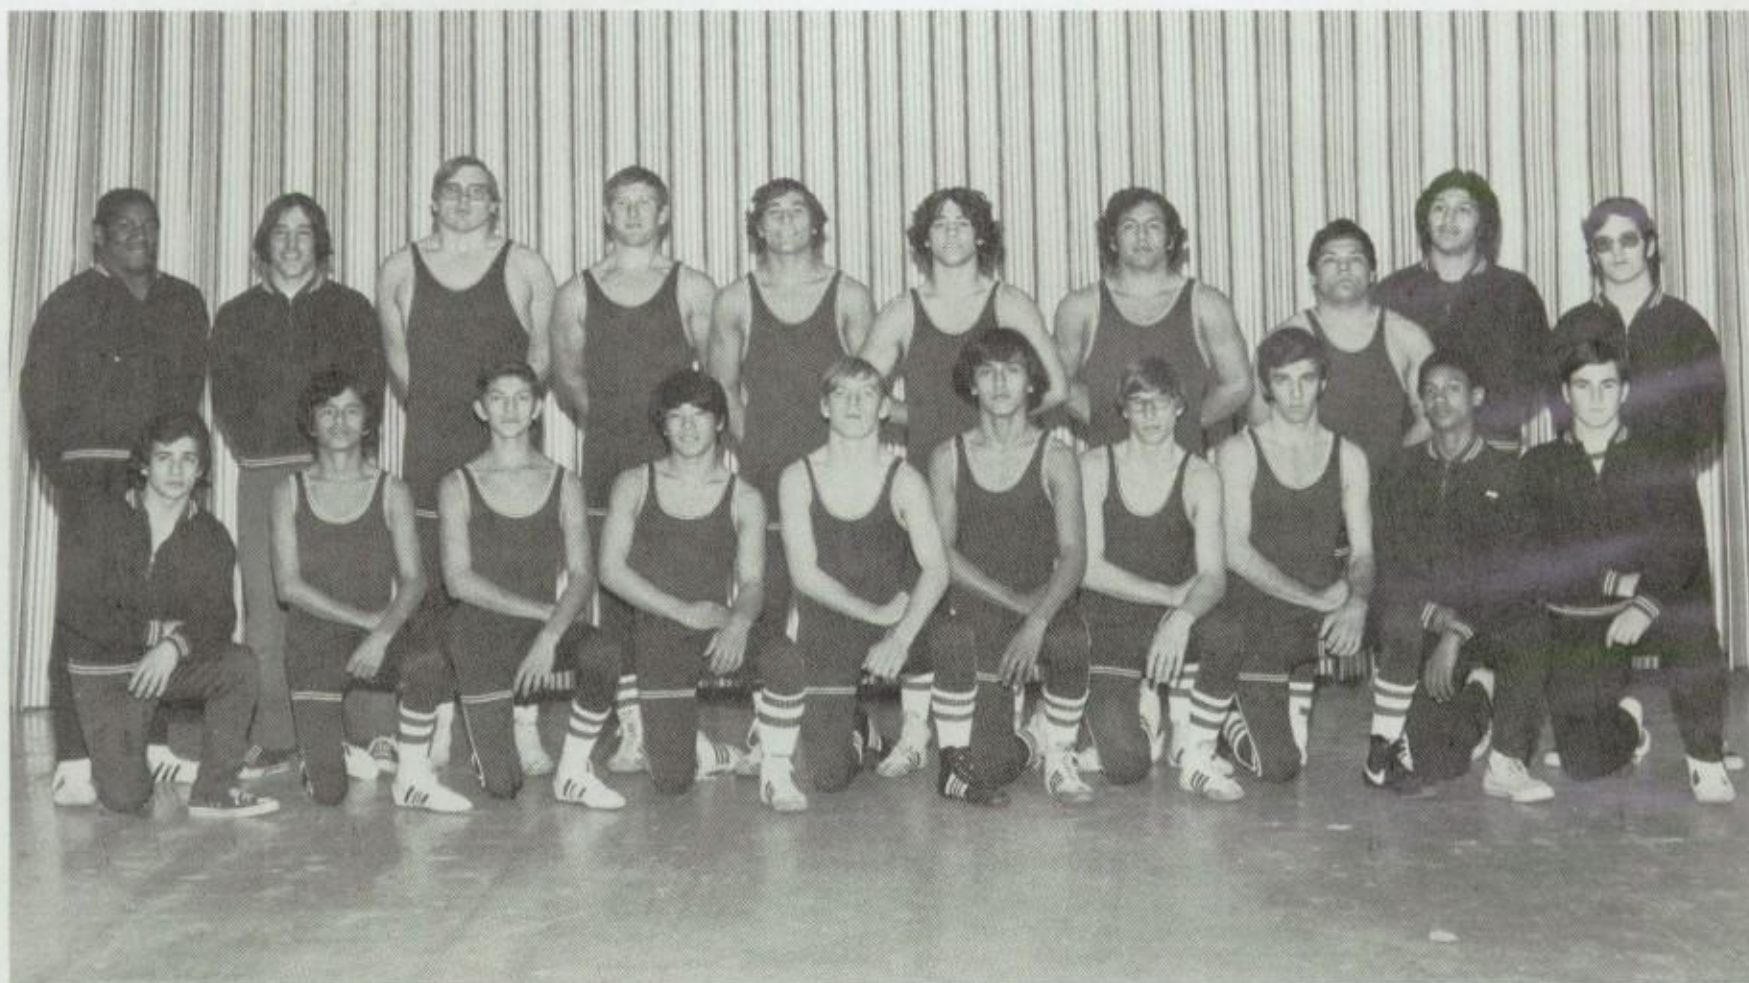

Six footers Tony Rogers and Will Maxey contributed greatly with strong rebounding along with the all round fine play of Ray Rosetto.

Along with everything else goes the praise of the reserve talent on the bench that made the Comet yearlings that much harder to beat.

VARSITY WRESTLING HIGHLIGHTS

Nineteen seventy four has been good to the James Lick Varsity Wrestling team. They turned in a winning league record of 6 wins and 3 losses and a 6-4 overall record.

Lick opened the season with a setback in a non league bout at the hands of Cupertino. But the Lick squad soon got in gear and tallied three straight victories over Silver Creek, Oak Grove, and Yerba Buena High schools.

Again the grapplers were detoured when they received a stinging 37-23 defeat from Andrew Hill. The loss can be attributed mainly to the fact that a large scale shift in starters had several men in the upper weights wrestling against opponents heavier than themselves.

Losses never seemed to deter the Comets as they came back to a mass three more victories, all of which were literal massacres. The first was a 48-9 tally over Milpitas, whom Jimmy Lick hosted. Lick pinned in nearly 50% of the matches, one in an unbelievable 15 seconds by George Macias at 120 pounds. Two other pins were in less than a minute and a half.

The second creaming was at Mt. Pleasant where the grapplers stifled their opposition 37-16. This match marked a first as Brian Brickman took his premiere victory at heavyweight by accepting a forfeit.

Leading their winning streak at Piedmont hills, our matmen keelhailed the Pirates 47-11.

From there, the grapplers suffered two straight defeats at Overfelt and Ayer to insure no title for them in the M.H.A.L. This did not cause too great consternation among the team members, as they went on to place five men in the league finals.

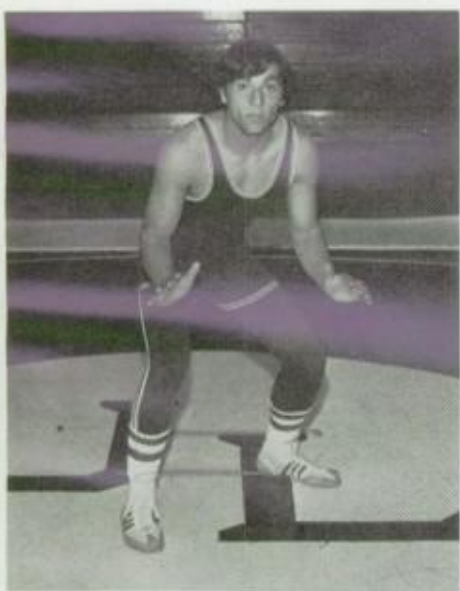

Sophomore star Ryan Kawaoka nabbed a third behind his arch rivals, Andy Gonzalez of Yerba Buena and Bob Henderson of Overfelt. Senior Tom Lassiter got a second, Eddie Solorio third, Art Nanez, second, and Soph Dave Marcucci grabbed a third.

Everyone of these five men went on to place in the Division III finals. Marcucci, Solorio, and Nanez all picked off thirds, while Lassiter clinched a second. Kawaoka, wrestling in probably the toughest weight class in the state, pulled in the highest honors though. Ryan got the last word in as he beat out both Henderson and Gonzalez to take the 115 pound championship.

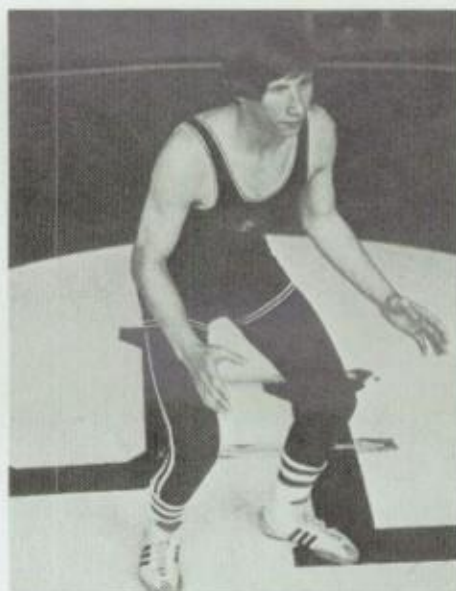

All in all it was a great year for coach Al Stines grapplers. A few breaks might have meant the difference between a championship and their actual finish.

Seniors Tom Lassiter, Art Nanez, Tony Sacololo, Carlos Torrez, Ken Wright, Don Garcia, Ken Conway, and Brian Brickman will be missed but an abundance of talent remains.

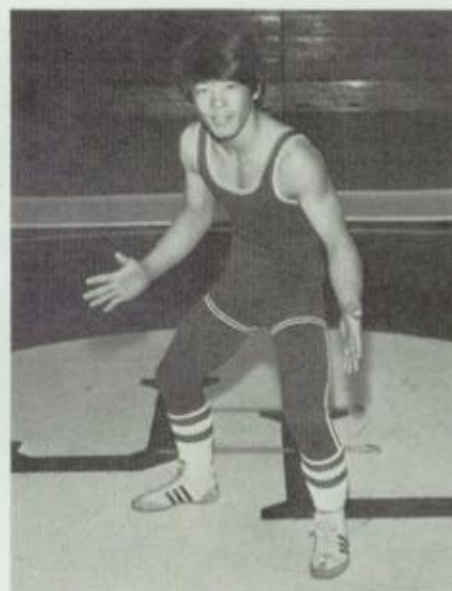

Among the returnees for next years squad are Kawaoka, John Andreoli, Marcucci, Solorio, and many other promising wrestlers. One can definitely say Lick is and will remain, among the Santa Clara Valley's true wrestling powers.

FROSH-SOPH WRESTLING

Frosh-soph team: Front; R. Glass, P. Adams, F. Gaxiola, J. Martino, M. McKoin, B. Katz, M. McKoin, D. Barnes, J. Tome, J. Cirincione, Back; Unknown, J. Diangson, B. Dominguez, R. Valente, R. Caracillo, D. Jordan, J. Solorio, C. Arevalo, E. Diangson, G. Wright.

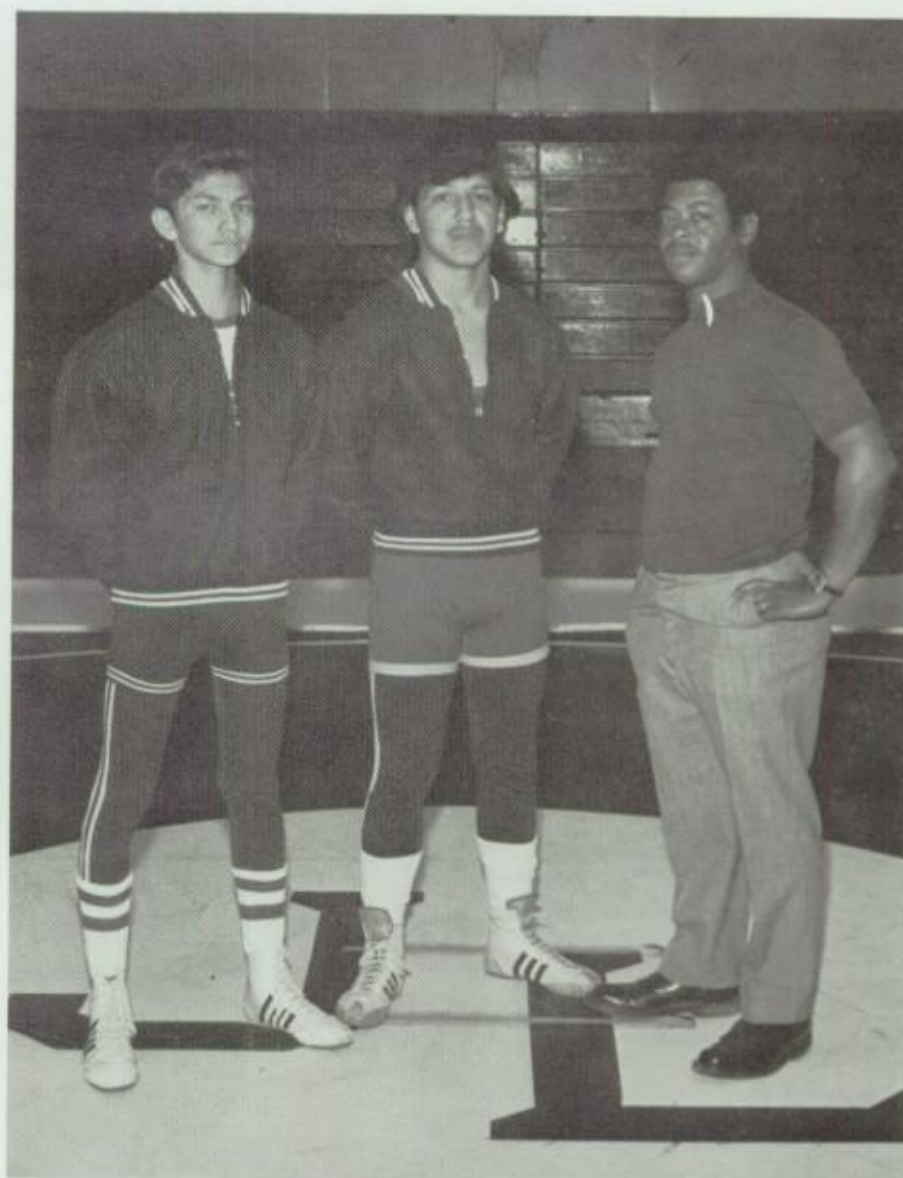

FROSH-SOPH HIGHLIGHTS

Under the guiding eye of coach Don Nash the Frosh Soph wrestling team posted a fine overall record of 7-2-1 and a league record of 6-2-1.

Leading the way for the grapplers were Jesse Solorio, Gabe Morantes, Bob Dominguez, and Bill Katz.

Besides their fine winning record the Frosh-Soph posted a second place at the tough Silver Creek Invitational tournament.

This fine Frosh - Soph squad produced several good individuals and will go a long way in filling the ranks of the varsity.

Frosh-Soph Stars and Coach: Gabe Morantes, Jesse Solorio, and Coach Nash.

VARSITY SOCCER: CONTINUED IMPROVEMENT

Picked as a potential league champ in preseason the James Lick varsity soccer team had trouble at the start of the season but came on strong at the year's end to give Lick its best record, 4-5, in several years.

Coach Marfull had a potent team at the start of the season. He had several returnees from the season before and many fine newcomers. However, lack of team unity and inconsistency hurt the team in the early going as they lost their first four league games.

At midseason the team made a turnabout sparked by the superb play of Miguel Maciel. In his third year starting on varsity Maciel became the highest scoring soccer player in James Lick history as he popped in a total of 9 on the year and a total of 36 in his career.

Maciel, along with Rafael Villegas, Hector Sanchez, Dave Elemen and the addition of transfer student Rodolfo Ayala, helped the Comet booter offense get untracked.

Fernando Serrano paced a stingy defense along with Tom Short, Joe Porvechio, and Goalie Victor Mendez.

Though Maciel supplied much of the scoring punch it was the fine field play and ball hawking of Sanchez and Ayala with the consistent Villegas that made up the essence of Licks attack.

Serrano's speed made him particularly effective on defense. Tough play by Short and steady Porvechio also were big factors in the teams late season comeback.

Victor Mendez proved to be superb at his goalie position. In the season finale against powerful Silver Creek he registered 20 saves as Lick shut out the favored Raiders 1-0.

Others who did well this year were Tony Jasso, Aaron Castro, Joe Carabajal, Reuben Munoz, and Raul Reyes.

Soccer is definitely on the upswing at Lick. Coach Marfull's teams have improved with each year after a winless season in 1971 to 2 wins last year and four this year.

Next years returnees include Dave Elemen, Aaron Castro, and Rodolfo Ayala. Along with stars from a fine frosh soph squad they should form the nucleus for a winner.

Varsity Soccer Team: Front Row; Joe Porvechio, Aaron Castro, Miguel Maciel, Hector Sanchez, Rafael Villegas, Rodolfo Ayala, Tony Jasso, Marlo Lemos, David Elemen. Standing; Coach Marfull, Paul Mattish, Jeff Elrod, Reuben Munoz, Joe Carabajal, Mark Woodruff, Mike Vina, Mark Buchanan, Trini Villegas, Tom Short, Tom Neely, Fernando Serrano, Not Shown George Carona, Raul Reyes.

FROSH-SOPH SOCCER: BEST SEASON IN FOUR YEARS

Frosh-Soph soccer turned in the best record of any Lick soccer team during the last four seasons in 1974. Their league record of four wins, four losses and a tie was outstanding. Add to this the fact that three of the four losses were by one goal and it's easy to see why it was such a fine year.

The team was dedicated and committed. The Comets lost their first three league matches by one goal while tying one. Most teams would have given up but the Comets bounced back to win four straight matches before losing in the season finale.

Offensively, Lick was led all year by Co-Captain Abe Elemen. Abe scored 8 goals on the year. Sophomore Stan Everroad was also tough, scoring 2 goals. Francisco Serrano added one goal. Miguel Leal also played well from his wing position.

Halfbacks Larry Pacheco and John Tinsley showed great improvement and desire. Both scored a goal apiece.

Goalie Jesse Herrera was outstanding all year, posting four shutouts on the season.

Paced by Frank Gonzalez, the fullbacks did a great job on defense. Gonzalez even scored a goal, a rarity from his position. Jose Martinez, Fred Torres, and Norm Bechler were other outstanding fullbacks.

Frosh- Soph Team: Front; S. Everroad, D. Millan, F. Gonzalez, N. Bechler, J. Tinsley, J. Martinez, V. Rodriguez, J. Herrera, F. Serrano. Standing; Coach Dick Barrett, R. Zaragosa, R. Homen, R. Abrue, A. Elemen, M. Leal, C. Rios, L. Pacheco, S. Zins, G. Gomez, F. Torres.

VARSITY BASEBALL: ANOTHER TOP NOTCH TEAM

Varsity Baseball Team: Standing; Coach Neff, Hector Sanchez, Ron Cabrera, Ralph Cruz, Gene Ingram, Rafael Rivera, Charlie Mendoza, Timmy Woodside, Rick Sangetta, Coach Korb. Kneeling; Kal Dorr, Dennis Heads, Jack DiCarlo, Art Silva, Tony Castillo, Rex Yuhas, Dave Gonzales.

VARSITY BASEBALL ROUNDUP

James Lick has set a high standard on the baseball field and 1974's team will certainly measure up well to that standard.

Head coach Dan Korb had a wealth of talent to pick from at the beginning of the season.

Starting at pitcher for the Comets was senior Tim Woodside, a second team all leaguer as a junior. Also ready for mound duty were strong armed junior Rex Yuhas and sophomore Charly Mendoza.

Behind the plate Korb had Tony Castillo, a junior with a fine arm and the potential to be a star at catcher.

Pride of the team, as in years past was the infield. Shortstop Kal Dorr and first baseman Art Silva both were seniors in their third varsity seasons. Dorr led the league in stolen bases as a junior, as well as being one of the MHAL's top batters. Ralph Cruz nailed down the third base spot for the second consecutive year. Ralph was named team Captain and added a potent bat to the lineup. Gene Ingram, a good hitting junior was in competition for the second base spot with senior Rafael Rivera. Utility infielders Hector Sanchez, Ron Cabrera, Rick Sangetta give Lick an excellent bench along with possible starting first baseman Dennis Heads.

In the outfield there were a number of prospects to choose from, all with fine credentials. Leftfielder Jack DiCarlo held a strong bat and a powerful throwing arm. Senior Dave Gonzales returned for his third varsity season with a lot of experience. When not pitching Woodside should have seen a lot of duty patrolling center field.

As head coach Dan Korb has had two champions and two runnerups in the past four seasons. The individuals described here should do no worse, if not better.

Coaches Neff and Korb pause with 1974 team captain Ralph Cruz

VARSITY TENNIS: THE FUTURE IS NOW

Varsity Tennis Team: Standing; Sue Hoshino, Dennis Pricolo, Kevin Symons, Jim Rinauro, Mark Simms, Brent Ostermann, Tom Short, Glen Tsukamoto, Roland Padilla, Coach Barrett. Kneeling; Gary Lovgren, Nick Vratari, Ron Bistolfo, John Kogura, Jerry Petrick, Greg Simms, Will Olssen, Pat Adams.

Tennis Stars and Coach: Dennis Pricolo, Mark Simms, Tom Short, Coach Dick Barrett, Brent Ostermann, Roland Padilla, and Glen Tsukamoto.

TENNIS ROUNDUP

When Dick Barrett took over the job of head Tennis coach at Lick in 1971 he had a lot of fine freshman and some rebuilding to do.

Since then the team has improved noticeably. For this campaign Barrett had several seniors that formed the nucleus of a well rounded team.

Leading the list of returnees was senior Roland Padilla, going into his fourth year as a star singles man. Tom Short also had a promising year ahead of him as did several other seniors including, Glen Tsukamoto, Brent Ostermann, Dennis Pricolo, and junior Mark Simms.

With the addition of several fine juniors sophomores and freshmen the James Lick Varsity Tennis team was definitely a group to be taken seriously as an MHAL title contender.

VARSITY GOLF: YET ANOTHER POSSIBLE LEAGUE CHAMPION

Varsity Golf Squad: Standing; Rich Russell, Bill Kammerer, Chris Clark, Dave Guitierrez, Mike Wright, Coach Gallegos. Kneeling; Tom Lucente, Ed Castrillo, Andy Afanador. Not Pictured: Francis Camacho, Ed DeAngelo.

GOLF ROUNDUP

Year in, year out, it seems that James Lick is the league champion in golf. This year will be no exception.

Led by the outstanding play of junior Chris Clark the golfers, coached by Chon Gallegos, should dominate the MHAL just as they have done for the past fifteen years.

Up there fighting Clark as the top man on varsity was senior standout Richard Russell. Rich has been on varsity 3 years and will go a long way in making Lick a title contender.

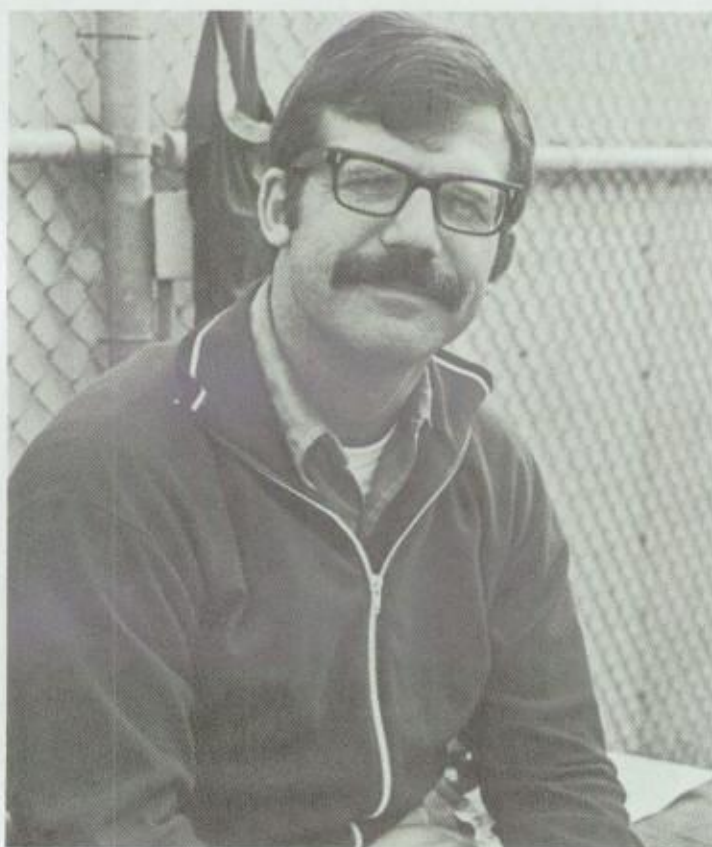

Other stars are Tom Lucente, Dave Guitierrez and big Bill Kammerer.

Brown, Saclolo, and Lewis check the quad on game day.

Katz goes for the takedown.

MISS BLAETTLER

The Argus Staff, representing the James Lick High School student body for this year and those of every year in the school's history, would like to take this opportunity to express our great appreciation of Miss Bernice Blaettler who quietly retired during the summer of 1973.

During her twenty-three years at Lick, Miss Blaettler helped many students to obtain scholarships and honors. She also worked very hard with the students nominated for the Bank of America scholarship, with the result that many of Lick's students received these honors.

Miss Blaettler's work was much appreciated and is greatly missed.

FOR MANY YEARS, LOCAL MERCHANTS HAVE BEEN
GENEROUS IN THEIR SUPPORT OF JAMES LICK PUBLICA-

BOOK SUCH AS THIS, IS RELATIVELY INEXPENSIVE, IN-
STEAD, THE COSTS ARE EXPENSIVE FOR A HIGH SCHOOL

HIGHER EACH YEAR. THE SPECIAL EFFECTS-THE OVER-
